## Quilters Swap !!!!!!!

Begins in March and runs through July

How it works - members bring things from their sewing room that they no longer want. It can be a pattern, UFO, book, ruler or other quilting related stuff (value \$6 and up). Each time you bring an item you get a coupon (1 coupon per item). In July we will have our trade for goodies. You need to hold onto your own tickets and if lost they are not replaceable. I store all that is collected and in July we do the swap for all those who have participated. You can purchase items that are left after the swap even if you did not participate. Prices will vary from \$2 to \$10 on the left over's

Contact Bebe for more information at 210-744-6092 or [bamos2960@satx.rr.com](mailto:bamos2960@satx.rr.com)

We will have a 2nd swap starting in August and runs through November
