August Message

Hope all of you have had a fantastic summer with lots of time for your favorite hobby, quilting. Spend time with family and friends and maybe a vacation or two.

August is a time to get ready for fall. Be careful to include your guild into your schedule. It means so much to all of us. August brings us to doing for others also, so bring your special talents to our meeting so we can put together some quilts for our charity. Joanne has several quilts ready for us to go.

September brings us Barbara Hartman with a presentation on "Evolution / Revolution" and a workshop on Saturday on "Kaleidoscopes". Be sure to sign up for this class as it will be very interesting.

Our August meeting is nominations of officers. If you plan on nominating someone, please have her or his permission to do so. All nominations are welcome. Elections will be in September.

See all of you at our August meeting, and have a great month. Don't forget to bring at least one friend to our August meeting.

Happy Quilting!

July Board Meeting Minutes

The monthly board meeting of the Alamo Heritage Quilt Guild was called to order by Vice-President Vickie DuBose at 6:12pm on Tuesday, July 5th, 2011. Also attending the meeting were 2nd Vice-Presidents Jackie Ledford and Joyce Boyd, Secretary/Librarian Susan Feeley, Parliamentarian Katherine Slater, Membership Chair Janet Rutherford, and Refreshments Chair Carole Van Buren.

Vickie had no report to give this evening. Joyce reported that our July speaker, Terri Vogds, would give a trunk show of her quilts, and would talk about how her quilting style has progressed through the years. Jackie has put together a survey for us to look at and 'tweak', then pass out to the membership next Thursday. She said that, among other things, she is hoping to include items that would appeal to beginning quilters, make use of the many talented quilters in Texas for our programs and classes, and keep the budget down at the same time. Our discussion of the survey led to a few changes and several new inclusions. Katherine, our parliamentarian, also has a survey with her this evening that she would like handed out to the membership next week concerning nominations for next year's board. It was decided to have the survey forms at the sign-up table with Janet, and pick-up of the forms during the refreshment break of the monthly meeting by members of the nominating committee. The last report of the evening came from Carole. She said that Bebe has brought her all donations that she wasn't wanting, that Carole and Joanne would look through everything and would pass on to Linda Sides those items that would work well in the auction.

Jackie, Joyce, Katherine, and Carole all want to speak to the membership at the July meeting. There was no new business or old business on the agenda for this evening.

The meeting was adjourned at 6:58pm.

Respectfully submitted,

Susan S. Feeley

Secretary

CHARITY

All — Let's not forget about our book/quilt challenge. You buy a book, then make a quilt to match. The age range is 6 months to 14 years. Not only do you get to make a child happy X 2, but the judging will be fun and that is fun for you! The judging will be at the November meeting. Keep in mind the quilts are for charity so be generous. Just because a kid is unfortunate doesn't mean they don't like pretty, fun, cool, or imaginative!

Be sure to stop by and pick up one the kits I'll have on hand at the meeting.

Just a reminder about the box top for schools that I am collecting for free fabric. Every little red box top helps".

PROGRAM FOR AUGUST

CHARITY NIGHT

Thursday will be a Charity Night. Please bring your stuffing fingers so that we can stuff the pillows for the American Cancer Society. The Guild delivered over 200 pillows to the Society earlier this year and they were so grateful. As we all know, Cancer knows no age, no race, no gender and the Society does a very good job supporting those suffering from this dreaded condition.

Those that want to help close the openings, please bring needle and thread and scissors. A gray or

SUNSHINE & SHADOWS

Please keep the follow members in your thoughts and prayers:

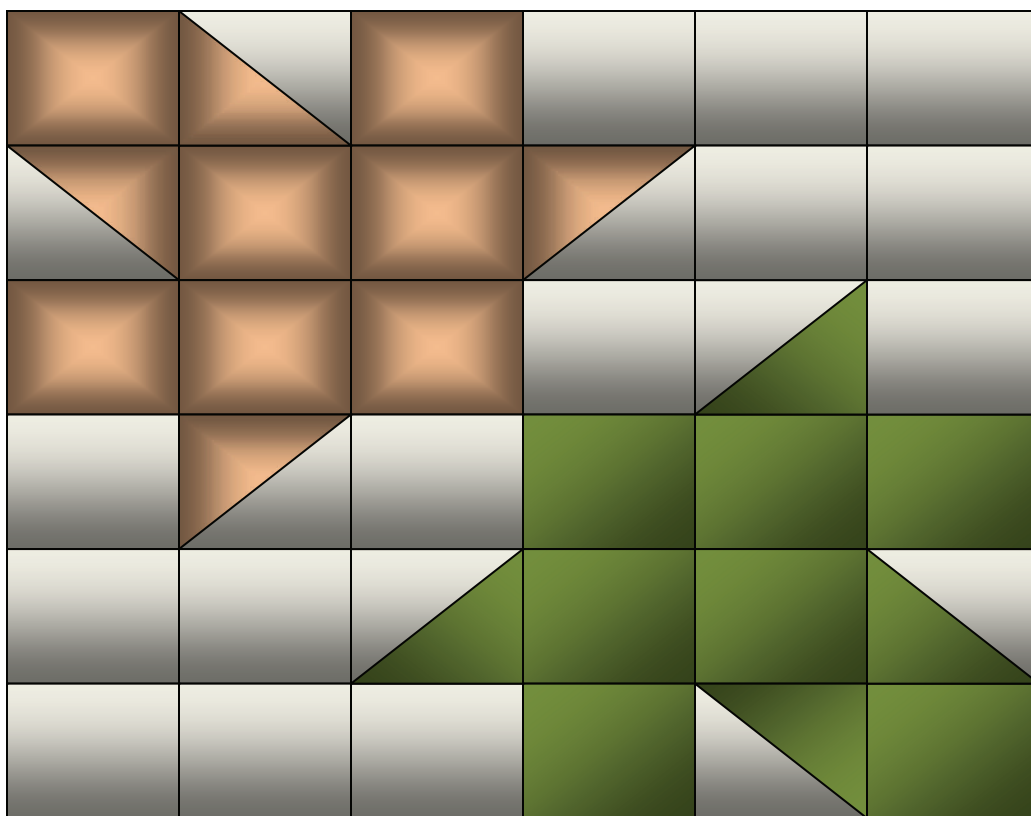

Lenice Larkin is now feeling well.

Bebe Ramos is recovering from surgery

JoAnn Krepps is suffering from the very unexpected loss of her brother.

BLOCK OF THE MONTH

OZARK MAPLE LEAF

Use your favorite method of making the eight half square triangles needed for this 12" block, or try the following method. Stack two $2\frac{7}{8}$ " blocks of fabric in two colors, right sides together. On the top fabric mark a diagonal line and sew a scant $\frac{1}{4}$ " on each side of the line. Cut the blocks apart on the marked diagonal line. Press the seam allowances towards the darker fabric.

Piece the block according to the diagram above. First make rows, and then sew the rows together to make the Block. Be sure to alternate pressing directions by row to avoid those ugly bulky seams.
