KEEPING YOU IN STITCHES.....

Have y'all looked at our website lately? I have! And I have looked at other quilt guild websites too. There is even a website for all of Texas' quilt guild websites. I consider our website to be one of the most organized and easy to use. We have current information and a good list of archives. If you miss a meeting, we have it on the website, if you want to know what our program is going to be in November, we have it on our website, if you miss your newsletter, we have it on our website. It is a great resource for all of our members and others. We have been contacted through our website for charity items, quilt shows and quilt shop ads. Now we have auction information on our website! And we have even more potential for communication among our members, for our members. Our very own Tom Dickens, is the webmaster and he is challenging us to USE it more. Ok, girls, let's get into the bloggin' world and start some bloggin'. Start a favorite blog, add some bloggin' news (maybe you have a quick appliqué method) and create some bloggin' noise!

Come join us for our July meeting with Winnie Fleming. I have been looking forward to this program and workshop all year. I think I am going to blog about this.....

Keep calm and quilt on!

Janet A. Daniel

PRAYER LIST

The AHQG Board feels we can all benefit from prayer. If you would like to raise someone in prayer—for whatever reason—please contact one of the board members. No specific reason required.

- Ava Wohltman, Maggie Oswald's 9 month old great niece—health issue
- Beth Barron's niece, Christina- — she needs a kidney.
- Beth Barron's grandson, Keaton. He has reached the maintenance phase of treatment and will remain there until he is 6. Although he's doing well he can still use those prayers.
- Our military members as they work to keep our country free.
- The guild members we haven't seen recently or those who just need a little more encouragement with whatever is going on in their lives.
- The leaders of our country —that they make the right decisions to keep our country great.

2015 CHARITY CHALLENGE

RULES

The member donating the prize money totaling **\$500.00** wishes to remain anonymous. This challenge is not costing the guild any money. We are using charity material, but would be making quilts from it anyway, just giving you an incentive.

Drawing will be held at the December 10th 2015 guild meeting.

You do not have to be present to win.

There will be no exceptions ALL items must be turned in before or at this meeting.

All materials will be supplied, you only have to use your thread, machine, and time.

Of course you can always use your own materials.

The kits must be made using the quilt instructions given. You may tweak any pattern by changing materials or rearranging the material, but the overall design must be the same.

(ie. You can't take a kit and just sew into squares or strips)

If you use your own materials for a quilt, the quilt should be approximately 40 X 40.

There is no strict size requirement this time, we just don't want a lot of 36 X 36 or less quilts.

You will be given a ticket to place into the appropriate box. These boxes are what we will draw from.

Here is what you need to do to get ONE ticket.

\$200.00 1 Quilt completed from start to end, including binding.

\$150.00 you may do any of the following:

3 quilt tops pieced

3 quilt binding

3 quilts quilted

\$75.00 2 yo yo dolls (only the yo-yo's)

\$50.00 5 completed pillow cases

\$25.00 10 Cancer pillows

PROGRAMS

Hello Everyone! If you were not able to join us for June's Guild meeting you missed a fabulous program and opportunity to see several of Lynn Roddy Brown's scrappy quilts. We truly had a delightful evening and Lynn had us all laughing at her antics as I tried to help during her trunk show. On Saturday we had an outstanding workshop where Lynn shared her tips for selecting fabrics and we all created two "Texas Two Step" blocks from our own stash. We placed them up on the design wall and it was so interesting to see how they, because they were scrappy and of the same value, went with everyone else's blocks! It was amazing to see the potential quilts we could create using fabrics from our stash. I would also like to extend my sincere appreciation to our Guild members who not only attended the workshop but helped me break down all of the tables, pack up all of our equipment and put the large room back in order. Many hands and willingness to help made the task so much easier. Thanks – I so appreciate all of your support.

At our Guild Program our "Tres Amigas", Denice, Beth and Janet, walked us through constructing two more 6-inch blocks for June's Block of the Month (BOM). If you didn't have an opportunity to get started on your BOM – don't worry, there is still time as we are not showing our completed blocks or quilt top until December's meeting. Our newsletter has the website link with directions for the different 6" finished block inserted on the "side" of the basic house block and the instructions for constructing the house block. The big reveal in December should be a lot of fun.

I hope you can join us for our next meeting on Thursday, July 9th at 7:00 p.m. when award-winning **quilter**, Winnie Fleming from Houston, Texas will be our guest. Winnie's presentation, "Borders Bonanza Show and Tell" is a great big show and tell of 40 - 50 quilts. She will show quilts with simple borders, pieced borders with simple units, quilts that have multiple borders and gorgeous round robin quilts. Her traditional quilts will certainly inspire our Guild members to pay more attention to their borders. Then on Saturday, July 11th in Winnie's workshop "Borders Galore" we will create two pieced borders around a center block that is set on point for a medallion wall hanging. Winnie will share her tips for precision piecing and how to make sure the pieced borders fit the quilt. I have included the supply list for the workshop as you'll need to do some precutting and make an 8" center star block before our workshop. Winnie has included a swatch sheet showing the fabrics she used in the wall hanging so we can see where they belong on the quilt and then we can use the same sheet to attach our fabric swatches. Note some of the fabrics may be combined, for example if you wanted to use only one light. This is one workshop you will not want to miss as we will learn how to make a pieced border fit any quilt with Winnie's special formula and it's not too late to sign up! **Please note just for this workshop – It will be held at St. Matthew's United Methodist Church – the same location we use for our monthly Guild Meetings.**

And also don't forget to mark your calendar and plan to join us on August 13th for our summer potluck and Alamo Heritage Quilt Guild 20th birthday celebration. The mobile sharpening unit will also be set up in the parking lot so gather up all your dull scissors and gardening tools and bring them before the meeting.

I've included the 2015 Guild Calendar with programs and workshops and I hope you are able to join us for some of those events. I appreciate all of your suggestions as I plan our 2016 programs and workshops.

We hope you are able to join us at the Guild meeting on July 9th as you will not want to miss this program!

Kathy

TRES AMIGAS 2015 BLOCK OF THE MONTH

Are you ready to make some houses?! Last month you received the directions for the house frame and now we begin to make the body of the houses. Each month we will present two 6" blocks - these will be a little more advanced than last year but we know you can do it!

There has been much discussion in quilt world about copyright infringement even on free patterns. The consensus seems to be that we can give you the link to go get the pattern but we can't publish the pattern in the newsletter for you. So here are the steps to get the patterns....it's very simple so don't be intimidated. You can do this!

We will be using one website www.patchworksquare.com It's a neat site with lots of blocks in all different sizes so be sure to look around the site and see what is there. Here are the steps to access the patterns we are using.

Go to www.patchworksquare.com (Copy and past the link into your internet explorer)

In the far left column you will see a green box titled "Quilt Block Style" and under that box is "block sizes" Select "block sizes"

In the center of the page select "6" quilt blocks"

Select the name of the block

On the next page in the center in small blue letters you will see the block name (pdf). Click on the blue words

You are at the pattern! There are several block sizes with each pattern - the 6" blocks are usually pages 5 and 6. Be sure to select those pages on your printer if that's all you want to print out.

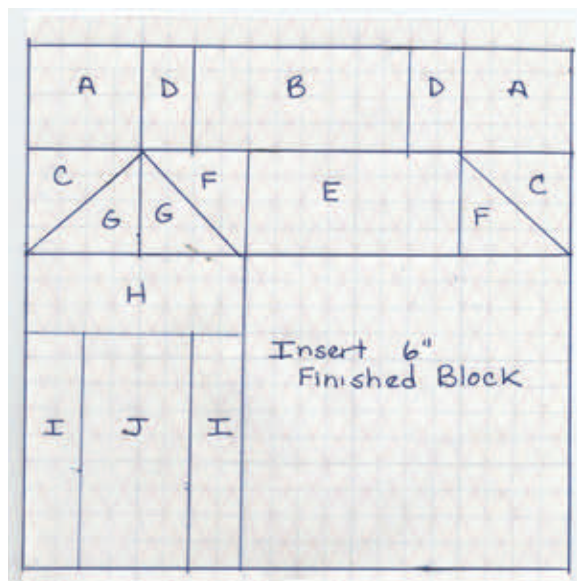

There are a lot of 6" blocks - perhaps your quilt needs more than 12 houses so have fun selecting more blocks. Happy sewing!!!

Welcome to our BOM for 2015. This year's blocks finish at 10" and will feature the same house block with a different 6" finished block inserted as the house body. In February you will receive the pattern for the house block and March through August you will receive patterns for two 6" blocks. And then the fun begins...you get to design a set for your blocks and show the guild your finished quilt or top at the December meeting. Without further ado, here is the pattern for the house block!

UFO Program

UFO Ladies, Thank you for participating in the UFO challenge. We have seen some finished #1's and they looked great. #5 is our challenge to be shown at the July meeting, let's keep that quilting going. :)

Geri

RULES:

Participation requires you provide a list of 6 UFOs to Geri Collins ALONG with 3 fat quarters at the January meeting. (If 15 people sign up, the starting prize will be 45 fat quarters!).

Beginning at the January, general meeting and then again in March, May, July, September, and November, Geri (or another designee) will draw a number from 1-6. For example, if number 3 is drawn, everyone will work on their number 3 UFO for 2 months.

At the next UFO meeting show your completed UFO to get credit. If you have NOT finished the designated UFO you MUST pay a fat quarter as a fine. However, at the end of the year, you will still be eligible to have your name entered in the drawing if you have all 6 UFOs completed and any necessary fines paid. The winner(s) receive ALL the fat quarters accumulated.

Look forward to seeing the UFOs completed.

NAME TAGS

One good way for everyone to get to know each other is to wear our name tags. Joyce Boyd was kind enough to make several and all they need is your name. If you don't have an AHQG name tag ask for one when you sign in.

BEEKEEPER

Linda Clark has volunteered to be AHQG's Beekeeper. She'll keep up with news about bees (open or closed) connected to AHQG, help members find bees that suit their needs, and facilitate the formation of new bees.

If you're in a bee, please make sure that Linda has information about it. And if you want to belong to a bee, contact Linda!
