We are making Christmas plans in July! The guild would like to reinstate the Holiday progressive dinner and several quilters have offered their homes. If anybody else is interested in hosting a group or helping with the food at somebody's home, please see myself or Joyce Boyd. It should be a fun event.

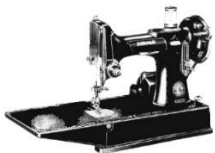

I am planning my big reveal of all the wedding quilts at the August guild meeting. I still have several that need binding and of course, labels, but an end is in sight. It has to be completed by September!

Our July guild meeting features Marcie Henry with a trunk show and Saturday workshop. I have taken one of Marcie's curved ruler classes and really like the way the ruler works. The curved ruler has so many applications, you will want to make all of the variations!

Looking forward to seeing everybody in July -

Keep calm and quilt on

Janet Ann

## Quilters' Blogs and Other Resources

Beth Baron was kind enough to share the following info about a free online BOM starting February 14. She hopes you are interested and have some fun with it.

Over the next year 82 designers will present 100 6.5" blocks in all genres...pieced, appliqued, paper pieced, embroidered, English paper piecing. There's been a couple posts already mainly about fabric selection...it will take 30-35 fat quarters so a good stash buster too.

At the end of the year the patterns will be published in a book and won't be free anymore.

## PROGRAMS

Hello Everyone! If you were not able to join us for June's Guild meeting you missed seeing Doris Rice's extensive "Texas Beauties" trunk show and hearing all about her new Queen's Rustic Retreat venue in McQueeney, Texas. Doris' new retreat location sounds like just the ticket for a quilting get away and some of the ladies are already planning to check out her accommodations first hand! We all enjoyed seeing Doris' collection of Texas quilts, many of which she had also designed the quilt pattern for and had done all of the quilting on her long arm quilter. Thank you Doris for sharing your lovely quilts with us!

I hope you can join us for our next meeting on Thursday, July 14th at 7:00 p.m. when Marcia Henry from Dickinson, TX will be presenting "A Modern Quilt" trunk show and will demonstrate how to use the Quick Curve Ruler to make these quilts. We are in for a real treat as Marcia recently received "Judges Recognition" at the Lakeview Quilters Guild Quilt Show in Nassau Bay, TX (outside Houston) for her modern quilt "Lollipops." She made that quilt using the "Urban Abacus" pattern from Sew Kind of Wonderful. If you did not have a chance to see Marcia's sample quilt "Metro Twist" for our workshop that I brought to our Guild meeting last month, I will have it again this month. We will be creating this quilt during her workshop (Saturday, the 16th of July). I hope you will consider joining us to experience firsthand how easy it will be to create this unique looking quilt using the Quick Curve Ruler. This will also be good practice for us before we make the more complex "Metro Rings" quilt in October! It is not too late to sign up for the workshop either!

In August please plan to join us for our annual summer pot luck dinner on Thursday, August 11th at 7:00 p.m. This is always a very popular event which provides us a chance to relax and enjoy eating and visiting with all of our Guild members. Good food and good friends – what more can we ask for? Well how about --- Mr. Tony Hansen will have his mobile knife sharpening unit set up in the parking lot once again to sharpen all of your scissors, knives and garden tools. Bring them on – he will be set up by 6 p.m.

And don't forget if you would like to be entered on an "interest list" to participate in the round robin challenge teams, just let me know. We will launch another team when we have 5 people signed up. We already have three complete teams formed. I think we can have a lot of fun with our round robin challenge! Be sure to check out our Alamo Heritage Quilt Guild 2016 calendar to see what else we have planned for this year. I hope you are able to join us for some of those events. Also please send me any suggestions for next year's programs and workshops since speaker's calendars often are booked well in advance. I could not pull this all together without your support and suggestions – please keep them coming!

We hope you are able to join us at the Guild meeting on July 14th, you won't want to miss it, and we look forward to seeing you there.

v/r,

Kathy
