JOIN US ON THE SECOND THURSDAY OF EVERY MONTH—  
WE MEET AT 7:00 P.M. AT  
ST. MATTHEW'S UNITED METHODIST CHURCH  
(2738 MACARTHUR VIEW, BETWEEN BROADWAY AND  
NACOGDOCHES)

## *From Your President*

Hello quilters,

Happy August, the dog days of summer. Only 5 more weeks till Autumn in south Texas, not that there will be any difference on the thermometer. Heat and Texas go hand in hand. It's a good thing I love this state.

We had a great turnout for the sew in last month for auction projects. I know we finished one quilt top and have at least 3 others well on the way to being finished. It was a fun day and we even got some work done! Please consider joining us for the next one.

Sadly, we had to say goodbye to Pat Tolette this month. She was a long time friend and member of the guild and will be missed. Rest in peace Pat.

This month we have our annual salad potluck. I always look forward to the wonderful food. [We will have Cathy Kropp discuss with us the needed fabrics for a successful 2 fabric bargello for our September work shop.](#) We have had a great response to the class. Sign up; don't be left out.

The Circle H Mobile sharpening trailer will be available in the parking lot of the church beginning at 6pm on meeting night. Bring the dull things in your life to have them sharpened. (Sorry, he doesn't do husbands.) He will do knives, scissors and gardening tools. If it has a screw he can sharpen it.

Look forward to seeing you all at the meeting.

See you soon!

Happy Quilting,  
Millie Moczygamba

As indicated in the recent AHQG Flash, we will start taking pictures of our members at Thursday's meeting. Be sure to bring your "A" smile.

## Patricia McMahon Tollette

APRIL 26, 1939 – JULY 16, 2018

On July 16, 2018, Patricia Locke (McMahon) Tollette was received into the Lord's embrace and reunited with her son Ted, surrounded by many of her loving family. Born April 26, 1939 in San Antonio, TX to George and Helen McMahon, Pat grew up in San Antonio, Texas, where she attended Incarnate Word High School. While attending San Antonio College, she fell in love with her future husband, Maurice P. "Nard" Tollette, Jr. She raised her four boys Trey, Tim, Ted, and Terry, and had a career in residential real-estate spanning two decades.

Her love of family, friends and the water led them to buy a lake house at LBJ where many joyful memories were made while the boys were growing up. When Trey, their oldest, entered Texas A&M University, their passion turned from the lake to football weekends in College Station. They were lifelong Aggie fans. In later years, their tradition of being near the water was continued with the boys and their families as they spent many joyful summer vacations together at both Lake LBJ and the Texas coast. In her retirement, Pat and Nard developed a love for bay fishing and enjoyed many weekends with her boys and grandchildren, in which many indelible / "questionable" memories were formed.

During retirement, her free time was spent with family and friends, watching her grandchildren grow, playing bridge, and traveling. She was involved in numerous organizations at St. Mark's Catholic Church including ACTS, Women's Guild and most recently the quilting ministry. She was an avid quilter and 'Longarmer,' and touched many lives through both the St. Mark's and Coker UMC quilting guilds. Pat's hospitality was well-known, as she had many honorary grandchildren who called her Granny Pat. She was welcoming to all who visited her home most specifically for Christmas Eve and 4th of July celebrations.

Pat will be forever remembered by her husband of 59 years, Nard and their sons, Maurice P. III "Trey" (Jennifer), James Timothy (Vicki), Michael Terrance (Allyson) and daughter-in-law Janet Kent Tollette Gloger (Ted's widow) and her husband Danny. She will also be remembered by her thirteen grandchildren; Reese, Reagan, Ted, Tanner, and Ty Tollette, Garrett and Grant Tollette, Allie, Mitch and Wes Tollette, Stephanie and Kent Tollette and Dusty Gloger (Janet's stepson) whom Pat welcomed as a grandson. She is also survived by her brother David McMahon (Jeannette), sisters-in-laws Dahlyn Harrold, Mary Hart Casey (Madison), brother-in-law Jim Tollette (Shelley) and their children and grandchildren.

Pat was preceded in death by her father George Breen McMahon, mother Helen Francis (Locke) McMahon, her son Ted Breen Tollette.

Monsignor Kevin Ryan will officiate. Memorial donations in memory of Pat may be made to the Leukemia & Lymphoma Society, [www.lls.org](http://www.lls.org).

## MEMBERSHIP

Hello everyone,

At our July meeting we had 61 members, 1 new members and 4 visitors for a total of 66

Our total membership is 122

Please welcome our new member:

Kathy Allen

Thanks for bringing your friends. See you in August.

Warm Regards

Marie Emerson  
Membership Chair

Someone suggested that since we meet in a church, have workshops in another church, that we develop our very own electronic "Church Directory".

Starting in August we'll have a camera available to begin getting pictures of the members. We'll do this several months to make sure we get as many members as possible. Those not available after that will be displayed with a silhouette.

Won't it be nice to be able to recognize everyone?!

Have yourself ready to go on the 9th!

## NAMETAGS

One good way for everyone to get to know each other is to wear our name tags. Joyce Boyd was kind enough to make several and all they need is your name. If you don't have an AHQG name tag ask for one when you sign in.

## CHARITY

Well ladies and gents, another month has come and gone and we are doing GREAT with our charity items.

A big thanks to those of you who took quilts to be quilted last month. I will have more at my table this month. There is always a backlog of "to be quilted" quilts. Not all of us have the desire or want to quilt. Most of us do quilt by check and just love the piecing part. I appreciate those who just piece the tops as they can piece more than we can quilt.

We are doing great with quilt tops, pillowcases and cancer pillows. At the Charity Bee we cut 90 heart pillows and 10 regular pillows. There will be a lot to stuff in April next year.

We also cut 100 of the new "Scarves for Hope" caps. We are going to do them the same as we do the pillowcases and pillows. They will be cut out and packaged in 5's for you to sew. They are really fast and easy to make and the cancer society told me they go like hot cakes.

Hope you stay cool and enjoy the rest of your summer.

Thanks for all you help,

Joanne Krepps  
Charity Chair

## PROGRAMS

Wasn't Claudette Booker's presentation fabulous?! She has offered to teach a class or be part of our skill builders in the future—I am definitely taking her up on that!! Thank you Claudette! Head on out to the Texas Quilt Museum to see her Millefiori Quilt on exhibit Oct 4<sup>th</sup> – Dec 23<sup>rd</sup>.

This month is our Annual Potluck Salad Supper when Cathy Kropp will also discuss preparation for our 2 Fabric Bargello Quilt Workshop. Bring your notepads! Also, Tony Hansen with Circle H Mobile Sharpening will be setting up in the parking lot by 6 pm so be sure to bring knives, scissors and your finest silver toothpicks!!

In September, we have **Dianne Loper, Handquilter Educator, and Patty and Thomas Woods from Patty's Sewing** here to talk about the exciting new ideas with your own mid-longarm machine. They will be bringing a 5 ft HQ and setting it up so you can get up close and personal.

We also have a great Workshop planned for September! **Cathy Kropp will be teaching the 2-Fabric Bargello Quilt.** We have started taking signups for the workshop. Please see me or a handy assistant to get signed up at our August meeting. Also, those who signed up last month will be able to pay and pick up the class planning sheet. We have 9 signups so far and I have interest from non-Guild members. So grab your seat!

Please be thinking about our upcoming 2019 Programs. First, we have the Barn Quilt Lady, Suzi Parron, coming in January. She will also have a workshop where you can paint your own Barn Quilt block for your Favorite location!

In March, Charlotte Angiotti will be our guest to talk about surprising ourselves with great ideas for using up our stash! She will also be offering a Mystery Quilt workshop on Saturday, March 16, 2019. We will need commitments from those who plan to participate in the "Let Me Surprise You" Mystery Quilt workshop which requires that attendees purchase the completely precut kit that they receive at the start of the workshop along with the first clue! We have started an interest list to help with venue planning. Kit reservations will be due in September when we must commit our numbers needed to Charlotte Angiotti. So far, we have 16 people signed up. Twelve of those have indicated they would be interested in doing the Mystery quilt workshop at a retreat. There is still plenty of room for you and a group of friends!

You all are our primary source of suggestions for great programs and workshops. Please feel free to text, email or talk to me about any ideas you have! I hope you can join us for some of the events we have planned. Also, please send me any suggestions for next year's programs and workshops since often speaker's calendars are booked well in advance.

We hope you join us at the Guild meeting on August 9th, to meet new friends, eat great food and get prepared for a fun 2 fabric bargello class in September!

Thank You

Susan Hall

### "Sue Garman: Traditional Masterworks"

**The Texas Quilt Museum will feature a retrospective from the late quilting superstar, Sue Garman. "Sue Garman: Traditional Masterworks" which will run June 28-September 30, 2018.**

Thanks to the generosity of Garman's family, the Museum has filled two galleries with this master quilter's original creations. Garman was widely known through her internet site [ComeQuilt.com](http://ComeQuilt.com) which has been continued by her two daughters since her 2017 passing. For four decades, Garman generously shared her techniques, innovative patterns, and advice with thousands of quilt enthusiasts. Her own quilts won numerous prizes and were recognized for their excellence. They've been published in many magazines as well as the book, "500 Traditional Quilts."

Garman was gifted in mathematics, with a CPA degree, and a lifelong career as an executive at NASA. The attention to detail demanded by her job can be seen in her quilts, with precision piecing as well as amazingly detailed appliqué in her inspiring compositions.
