JOIN US ON THE SECOND THURSDAY OF EVERY MONTH—  
WE MEET AT 7:00 P.M. AT  
ST. MATTHEW'S UNITED METHODIST CHURCH  
(2738 MACARTHUR VIEW, BETWEEN BROADWAY AND  
NACOGDOCHES)

## *From Your President*

Greetings fellow AHQG quilters,

Happy February! Hope the month of Love finds you doing what you love. The weather has been good quilting weather.

Last month Suzi Parron gave us an entertaining evening of Barn Quilts. The workshop was great too. I think that all who participated had a good time and each of us took home a handsome barn quilt of our own. Those of you who took the workshop please bring yours to show off..

This month we have Cheryl Matzen with "Quilts in a Flash" using her rapid 1/2 square triangle method. I'm looking forward to learning something that will speed up my projects.

Remember, this is Auction year, please volunteer to help out. It will only be as good as we make it! Let's make it GREAT.

Hope to see all of you at the meeting ,

*Happy Quilting,  
Millie Moczygemba*

# BULLETIN BOARD

## AHQG 2019 QUILT RETREAT

There are still a few spots open for the retreat this coming spring. Check with Joyce Boyd if you are interested in attending.

Don't forget to see Joyce Boyd to make your payments on the 2019 Retreat. Complete payment must be made by April.

## MEETING FORMAT

In order to provide sufficient time to the presenters at the meeting, the Board decided to try something new. The Show & Tell portion will be held after the presentation. This month is the second month of this trial.

Someone suggested that since we meet in a church, have workshops in another church, that we develop our very own electronic "Church Directory".

After several months, the pictorial directory is coming along. There are still some pictures missing. Hopefully, you can be at the January or February meeting and get your head shot taken.

Won't it be nice to be able to recognize everyone?!

## ATTENTION FEBRUARY MEETING

John Matzen will bring his scissor sharpening equipment to the meeting on February 14th, and can sharpen scissors during the presentation.

**NOTE: He will only sharpen sewing related scissors.**

David Duque and Tom Dengler  
Membership Co-Chairs

**Nametags....wear them and ask for one if you don't have one.**

## NAMETAGS

One good way for everyone to get to know each other is to wear our name tags. Joyce Boyd was kind enough to make several and all they need is your name. If you don't have an AHQG name tag ask for one when you sign in.

## CHARITY

As usual we had a great bee in January, there were 10 of us. We went thru some newly donated material and sorted again. The material was sized and lots of it cut up. Tom Dickens cut more bonnets for us. Hopefully next month we will have new kits. I still have a few plus some bindings and quilting. COME SEE ME.

Hope you guys stay warm. Ron and I have families in Missouri, Ohio, and New York. They are FREEZ-ING. Talked to Barbara R, who as you may remember is a member, she now lives in Arlington, VA. I told her to stay warm and she stated "I am under a quilt reading a book". For a Texas girl she has learned the best way to stay warm.

See you all soon.

## PROGRAMS

What a way to kick off the year! Suzi Parron, the **Barn Quilt Lady**, gave a very interesting and entertaining presentation. Then we had 22 members participate in the Barn Quilt Painting workshop. BEST part of the whole workshop was taking home a complete project!! No UFOs!s. Check them out at the February meeting during Show 'n Tell!

This month, February, our speaker will be **Cheryl Matzen, from Austin, presenting her Quilt-N-A-Flash methods and a trunk show**. There was a lot of excitement about Cheryl's methods at the Austin Quiltfest so I am really looking forward to hearing her presentation!

In **March, Charlotte Angiotti** will talk about surprising ourselves with great ideas for using up our stash! She will be teaching her **"Let Me Surprise You" Mystery Quilt workshop on Saturday, March 16, 2019**. We have 44 paid kit reservations. This workshop will be held at the **Schertz Community Center Building 3 on Schertz Parkway**. Specific address is **1400 Schertz Parkway, Bldg. 3 Schertz, TX 78154**. The \$35 workshop fee is due by February for those who haven't already paid. See supply list in this newsletter.

**April will be our charity night. JoAnne Krepps and the Bee will have lots of projects for us to work on. It is a great opportunity to meet new people and get to know our members.**

**In May, we will have Jen Eskridge of ReannaLily Designs**. She is a quilt designer, blogger, and has written a book titled **Free-Motion Framework** with innovative whole cloth quilt designs and 8 skill-building lessons. Jen is teaching these techniques at Patty's Sewing Center for those who want to get a hands-on experience with these techniques. You can find more information about Jen's process by checking out her **Blog at <http://reannalilydesigns.com/blog/>**

**Heads up: Our June Program and Workshop will be Designing with Strips n Curves by Debby Walters (who bought Louisa Smith's company)**. She provides a **2-day workshop** starting on **Friday, June 14<sup>th</sup>**, you can finalize and sew your strata in preparation for the Strips n Curves Class on Saturday. This isn't a mandatory day, you can still take the 1-day workshop on **Saturday at our usual location at Holy Trinity Church**. I will start taking signups for this workshop in March!

You all are our primary source of suggestions for great programs and workshops. Please feel free to text, email or talk to me about any ideas you have for 2020 programs and workshops since often speakers' calendars are booked well in advance. I look forward to seeing you at our February 12, 2019 meeting!

Thank you,  
Susan Hall

# HST SYSTEM

## Half-Square Triangle Stencil System

Come learn how you can create very accurate half-square triangles in record time using the HSTSystem method. This very fun and easy method is faster than the *Bias Strip* method, the popular *8-at-a-Time* method, and there's no paper tearing!

We might change the way you make quilts forever.
