The time has finally come! AHQG will be meeting again July 13th at our new location, San Pedro Presbyterian Church. The older we get, the less we tend to like change, but as I said before, "the only constant is change" and some changes are good. I know you will like all the space we have and one location for meetings, workshops and auction.

Denice has been working very hard to get our calendar rescheduled with programs and that is another change that hopefully all will embrace. We may have some programs through zoom in the future. Workshops will not be done by zoom. We do not have any programs scheduled with zoom at this time but know that is a probability in the future.

For over a year I didn't have to worry about meetings, social events, etc. Now that things have opened up again, the calendar on my phone looks like it has the measles. Something happening all the time! I was used to taking it easy and reading, reading, reading. Now I have to learn to multi-task again and it's not so easy at my age. I read that Steve Jobs wore the same outfit every day...black turtleneck and jeans. The same applied for Einstein, Mark Zuckerberg and President Obama. Evidently the act of making so many decisions degrades your ability to make further decisions so eliminating the decision of what to wear was one less decision they had to make. So that's my excuse-I have spent time deciding what to wear! It's hard to wear the same thing all the time with Texas weather!!

I am so excited about seeing everyone again and getting hugs. I also look forward to seeing all the show and tell. We will have 2 people outside directing you to the parking area. Stay well, stay safe and be ready to have a great time!

Blessings,
Linda

PROGRAMS

It is great to be able to give the members some good news regarding Programs for our Guild. I am currently contacting teachers and working on the 2022 Calendar. Since the pandemic numerous teachers have decided to teach and give workshops using Zoom. We are looking at using Zoom for some Programs but we are in the development stage.

Since we haven't been able to meet face to face for over a year we thought it would be nice to dedicate the time we would spend on a program in July and August to fellowship with one another and expanding our show and tell. In July The Board Members will display one of their first quilts and a current quilt to show how their skills have grown over the years. This should be fun to see. Also, since we know everyone has been busy during the pandemic producing quilts (hopefully some are for our auction) we are going to limit each person to 2 quilts at a time during show and tell. Our hope is this will give everyone an opportunity to participate and for their finished beauties to be seen and appreciated by all.

I was fortunate enough to schedule Doris Rice in January 2022 for the Laura Heine Collage Technique/ workshop. I will begin taking registration for this workshop at our July meeting.

Here is a list of kits available:

Featherweight	Mini Pin Cushion
Honey Bee	Jack Pumpkin
Dee Ceased Skeleton	Peppermint Reindeer
Doodle Doo Rooster	Flowerfly Butterfly
Pink Pump Shoe	Old Blue Truck done in Red
Black Cat	Hey Cowboy
Mini Havanah Sea Horse	Vino Wine Glass
Love Bus	

The Program/Workshop Calendar will be posted as soon as I receive confirmation from the instructors. The ability to meet again and enjoy each other's company is going to be fun! Since we have had to reschedule our Guild meeting to Tuesday we are working to determine the best time to conduct the workshops. Currently we are working under the assumption some workshops will need to be held on Wednesday, due to the travel of the instructor, but Saturday workshops are always a possibility.

Please understand, the pandemic has changed our world in many unpredicted ways, and we are working to serve the quilting community as we all adjust to the changes required as we move forward. Thanks for your understanding as we pave this new road together.

Happy Quilting,
Denice Brockmeyer
Program Chairperson
