I hope you have enjoyed the nice May weather and the rain showers in between the sunshine and cool breezes. So grateful this spring has been more "comfortable" weather wise than last. My grass is green, my plants are thriving, and I even have a few blooms on my passion vines and hydrangeas.

Our retreat in May was a great success. I, unfortunately, didn't get as much done as I would have liked, but that's what the other 51 weeks of the year are for, right? I did have a great time visiting with our members and getting to know them a little better. I would like to thank Joyce Boyd again for coordinating this event. It is never an easy task, but with recent personnel turnover at Newks and changing times, this year offered her unique challenges.

I'm sorry to miss our June meeting, but while quilting is important, spending time with family is even more important. I'm looking forward to two whole weeks with my daughter and granddaughters. The world seems to move faster and faster the "more mature" I get. My hope is that each of you have the opportunity to spend quality time this summer with those you love. I've even committed to taking some handwork with me for the long plane rides.

I'm disappointed I won't get to participate in the Round Robin Skill Builder this month! I know everyone will have a good time and learn a lot. We are so fortunate to have such talent in our guild and members that are so willing to share their skills. I may have to ask for one on one demonstrations when I return.

I will be delivering our quilts to Morgan's Wonderland later this week. Gretchen should have a full report for you at the meeting. I know Gretchen will do a great job hosting this month. Please remind her you are a friendly crowd!

Keep smiling and I look forward to seeing everyone in July.

Happy Quilting.

Vicki

## PROGRAMS

Hello Quilters!

We are excited about the line-up of Guild Programs for 2023! You won't want to miss any of the programs because they will offer trunk shows, new quilting techniques, meeting new quilters with unique talents and workshops and helping with charity quilty items.

**Program** – July 11<sup>th</sup> Pam McHenry, speaker: “My Quilting Journey and Machine Applique Detour”. Pam's program will include a trunk show of her quilts.

**WORKSHOP** – July 12<sup>th</sup> by Pam McHenry – Machine Applique Pillow class will focus on machine applique and working with fusible, raw-edge applique. Workshop registration (\$35.00) starts at the June 13<sup>th</sup> meeting. Registrants will need to purchase a pattern from Pam McHenry website ([www.pamalamajodesigns.com](http://www.pamalamajodesigns.com)). See picture of workshop pillow on the bulletin board page of the newsletter. I have a ranch theme at our home in the country sew I am going to make the armadillo from Texas Treasures pattern.

**LOOKING AHEAD** – August 15<sup>th</sup>. Start thinking of that summer salad or special dish or dessert you want to bring to share during our annual August Potluck Salad Dinner. In addition, Tony Hansen with Circle H Sharpening will once again bring his mobile sharpening unit to our location for sharpening our scissors. He will set up his mobile unit in the parking lot of the church for easy access. Start gathering your scissors for sharpening sew you don't forget on the day of the guild meeting!

If you have any questions, please feel free to ask me.

Happy Quilting My Friends,

Janet Daniel

## CHARITY

Charity is going along as usual; we are doing the normal routine with quilt kits and pillowcases. The Christmas drive on pillowcases is going really well. If we continue as we are we should have more than enough for the hospitals come Christmastime.

I am still in need of quilters, so please come back and see me to get a quilt to practice on. Just a large stipple will make the kids happy.

Hopefully see you at the guild and then at the Charity Bee.
